Author: Sesame His style of writing is incredibly accessible, especially considering his age.

Freaks, Geeks and Asperger Syndrome: A User Guide to ...

This condition, described by Hans Asperger in 1944, has been the subject of increasing interest over the past decade. Prevalent in 1 in 300 people and 8 times commoner in males than females, professional consensus places AS at one end of the “autistic spectrum,” but it is not a mild form of autism. Like autism, it involves qualitative impairments in social interaction and social ...
