THE IOWA BASEBALL CONFEDERACY is the finest ode to the mysteries of life ever to centre around baseball. W.P. Kinsella's name has become synonymous with his love for the sport, and sometimes it can become overwhelming. His short stories have a tendency to push the sentimentality over the edge into the realm of mudlin.

The Iowa Baseball Confederacy: A Novel book by W.P. Kinsella

The few genuinely bright moments of invention occur almost entirely in the opening chapters, as Gideon, a longhaired denizen of Onamata, Iowa, tries to carry on his departed father's lifelong crusade to prove that one July day in 1908 the Chicago Cubs played the Iowa All-Stars in a game that went on for 40 days and nights in a continuous rainstorm.

On the day he met his true love, a carnival performer named Darling Maudie, Matthew Clarke was literally struck by lightning and magically imbued with the knowledge that in 1908 the Chicago Cubs had traveled to Onamata, Iowa, to play a seemingly endless game against an all-star amateur team, the Iowa Baseball Confederacy.

On July 4, 1908, the Chicago Cubs, defending World Series champions, played an exhibition game against an All-Star team made up of players from the Iowa Baseball Confederacy, a semi-professional minor league based in that state. That epic game led to the destruction of the small town of Big Inning, Iowa, and the disappearance of the league, but it has been struck from the historical record.

The Iowa Baseball Confederacy again has baseball as its dominant motif. This time, though, Kinsella injects even more elements of magic and mystery, as the reader learns that to be obsessed with baseball is to achieve a sort of mystical state. Iowa Baseball Confederacy

The Iowa Baseball Confederacy was about baseball and took place in Iowa, both pros in my world. However, it also involved a lot of magic and science fiction bullshit, which is a definite con. The story follows a man whose father has passed on a bunch of information about this supposed baseball league that existed and beat the 1908 Chicago Cubs (one of the best baseball teams in history).
